

FOR OFFICIAL USE ONLY
Certificate of Networthiness (CoN)

NETC-TD

FOR DESIGNATED APPROVING AUTHORITY Deputy to Commander/Senior Technical Director/Chief Engineer

DECISION PAPER

Product: Trident IDE 2.0

Cert#: 200906597

Requestor: TRADOC in Fort Leonard Wood, MO has requested this Certificate of Networthiness for Trident IDE 2.0 for the use of their students.

Recommendation: **Approve**

Factors:

a. Background:

Trident is an integrated development environment (IDE) for creating, testing, and packaging SCORM 2004 content. SCORM development requires understanding of XML, HTML, and JavaScript. Trident has integrated tools and editors to support each of these. Trident supports and understands the specific vocabularies, application programming interfaces, and data models standardized by SCORM. Trident provides users the ability to use one tool for SCORM content creation and packaging. All of Trident's output is based on open-standards and does not use proprietary file-types or formats.

b. Facts:

c. Restrictions:

d. CoN Type: Enterprise

e. Functional Category: Program & Development

This CoN will expire:

POC: Arthur J. Aragon, Director

(520) 538-1199 DSN: 879-1199

Email: army.networthiness@us.army.mil

DAA Additional Comments:

It is the responsibility of the NEC to test this application, once installed on the network, in accordance with all applicable Security Technical Implementation Guidelines, and this recommendation is made based on the ability of the NECs to configure this product, once on their networks, to be fully compliant. This Certificate of Networthiness is not valid should the version no longer be supported or if not compliant with the most current Army Golden Master baseline.
